PRINCIPAL'S PAGE

PRINCIPAL'S COMMENT:

I am really proud to announce that our Indigenous Language Program - NGARA (HELLO) won the Regional Showcase Award for excellence in Indigenous Education. This means we are now eligible to be selected to represent the North Coast Region in the State Showcase Awards to be announced in October. This is an amazing achievement for our school and is testimony to the hard work put in by teacher, Mrs Longmore and the program manager Mrs Wheat. Well done ladies!

WELCOME BACK:

I would like to welcome everyone back to term 3. Once again this term will be a busy one with lots of activities planned throughout the term. Just a reminder – if you or your child have any concerns please do not hesitate to contact us.

PREP ENROLMENTS 2019:

We are currently taking expressions of interest for prep enrolments for 2019. To be eligible for prep in 2019 a child must be born between 1st July 2013 and 30th June 2014. A student born in July 2014 may be eligible for early entry to prep in 2019 if they meet certain criteria. An application for early entry is available from the office.

SCHOOL OPINION SURVEY:

The annual suite of *School Opinion Surveys* will be conducted 30 July to 24 August 2018. All families, school staff and a random sample

of students will be invited to participate. We encourage you to take this opportunity to have your say about what this school does well, and how this school can improve. If you wish to participate in the online parent survey please call into the office to collect the form.

STAFF CHANGES:

Ms Susanne Thomason has taken leave for the remainder of the school year. Mrs Stephanie Asprey who was the year 3 support teacher has taken up Ms Thomason's position and Mrs Jane Palmer has taken up the role as support teacher for year 3.

Miss Golding has commenced her maternity leave as of today. Mrs Marsh has taken up the role of class teacher for 6A for the remainder of the year.

STAFF CONGRATULATIONS:

I would like to congratulate Mrs Sulter and her husband Lance on the safe arrival of their daughter Alaskah.

I would also like to congratulate Mrs Tina Bagby who organised the highly successful Prep – year 3 athletics carnival in the final week of last term. We received very positive feedback from parents and community members in relation to this change of program.

STUDENT CONGRATULATIONS:

Congratulations to Nick who has gained a place in the regional softball team to compete in the state championships. Also congratulations to Paula who is in the district AFL team.

Saying of the week:

**Life always offers you a second chance.
IT'S CALLED TOMORROW**

HOTS – HIGHER ORDER THINKING SKILLS

STUDENTS ARE USING HOTS IN SCIENCE & GEOGRAPHY

At CSS School we are continuing to implement our Higher Order Thinking Skills (HOTS) framework. This year the focus is on the curriculum area of Science and the students are exploring the 16 thinking strategies within Science lessons. Teachers have been developing units of work connected to HOTS and establishing an understanding around the four skills of

ANALYSER,
GENERATOR,
INQUIRER &
REFLECTOR.

If you would like a copy pop into the office. 😊

STAFF PROFILE: Jenny Rodgers

My name is Jenny Rodgers and I have had a long association with Caboolture State School as a former student, parent, tuckshop volunteer, volunteer teacher aid, P&C member and Forum group member, sign choir coordinator and teacher aide. While my four children attended Caboolture State School my role here was voluntary and I was often at school helping out in classrooms. In 2002 I was offered a contract to relieve a teacher aide for a term while they attended the Commonwealth Games as a translator. After her return I was offered another contract and in 2007 a permanent position as a prep aide.

When my four children all finished year 7 I stayed on and have been working in various year levels and currently am part of the year 6 team. I have three grandsons now and enjoy spending as much time with them as possible. I have two dogs – a cocker spaniel, Sam, who is almost 10 and a 1 year old Shar Pei named Red.

When I am not working I like to geo-cache which is a game using an app on a phone and GPS that takes me to wonderful places to find things hidden by other players. I often take my dogs on these adventures as well as my grandsons.

I love my job at Caboolture State School and it already seems like I have been here forever but I cannot imagine being anywhere else as the students here are amazing as are the staff.

STUDENT PROFILE: Letia

Hi my name is Letia and I am a Border House Captain, along with Gab here at Caboolture State School in 2018. My favourite part of being a house captain is yelling out the war-cries and supporting my house.

I live with my mum and dad and my brothers. I have three older brothers Michael, Justin and Jayden and a younger brother Dekoda. After school, once I get home I like going on my phone and hanging out with my family because they make me laugh all the time.

At school my favourite subject is English because I really enjoy writing. Another great reason to come to school is I get to see all my friends.

At the moment I am playing Touch Football and Rugby Union. I enjoy playing these sports because I love being active and running around the field.

When I finish high school I would love to play sport for a living.

This year I am looking forward to representing the school in as many ways as I can and being a great leader to the younger grades.

Would you like FREE tutoring and reading support for you child?

The Smith Family has a Learning club at Caboolture Library (in the meeting room) 3.30 to 4.30pm every Thursday during school terms.

To register your child see Tracy Sbresni or call Marion from The Smith Family on 0408 570 673

Chappy News

Sub Day

Order forms will come home shortly for our next sub day which is on the 6th August. Orders will need to be back at the school by Friday 3rd August.

Chappy Conference

I will be attending the Chaplaincy Conference from Monday lunchtime to Wednesday evening in week four.

Breakfast Club

Coles are continuing to sponsor the Breakfast Club one day a week this term. They will be here on Thursday mornings. If you would like to help out with the Breakfast Club, please catch up with me in the UCA on Breakfast Club mornings – Monday, Wednesday or Thursday.

Chocolate Fundraiser

I have Cadbury's fundraising chocolates at school. Over the last few years, I have organised a Chocolate Fundraiser to help raise money for camps. I ask for the cost of the chocolates to be paid in advance. This means I can put the new order in when I need to reorder, instead of waiting for money to be returned. If you would like to sell chocolates, call in to the school and see me, or your child can collect a permission slip and take the chocolates home with them after the \$30 cost has been paid. Permission slips are also available from the ladies at the front office.

Jumpers

There have been a large number of unclaimed jumpers left at the school so far this year. As they have no names and have not been collected, we have washed the jumpers and will put them out during Breakfast Club times for children who need them.

Jumpers which have been lost this term are still in the health room awaiting their owners.

Parents' Day

This term the **parents' days** will be **on Friday the third of August and the 31st of August**. Our guest speaker will be a parent from the school. Andre is changing to a career in Life Coaching. He will share information on what Life Coaching is, how it has helped him and ways it can help us.

City Women is a newer support network starting up in our community. They have mentors trained up in Life Coaching to help families in our local community. These volunteers can walk alongside families through challenges and changes. A spokeswoman will also attend our Parents' day and share information on this new and exciting program.

Our speakers will share strategies we can use to help our family and friends.

thanks for coming year 6!

Last week students enjoyed a day at USC Caboolture. Students explored what they might like to do in the future, connecting what they like to do at school to future possibilities with activities from:

Law
Health
Science
Business
Education
Engineering
Creative Industries

Keep working hard to achieve your dreams.
See you there!

SATURDAY 4TH AUGUST ROBOTICS FAMILY FUN DAY

USC Caboolture Campus - 10am-2:30pm

Students and parents can pre-register for up to two free fun workshops at our Space themed Robotics Family Fun Day. Workshops are available for all ages, and all levels of experience (check workshop descriptions).

Workshop places are likely to fill quickly so book your tickets now at <https://robotics04082018.eventbrite.com>. Parents/guardians are encouraged to register themselves to join in the fun and are required to supervise their children at all times either as a registered participant or observer.

The Caboolture Scouts will be holding a sausage sizzle on campus and all registered workshop participants will be provided with a voucher for a free sausage sandwich and drink, with extras available to purchase.

Is your child enjoying certain subjects at school but you are unsure of how it could connect to their future and career? Find our free, impartial and confidential Careers Counsellors near the registration table from 10am until 2pm to learn more about TAFE and University pathways. No appointments necessary for this service.

Launch into space with:

Ozobot,

Bee Bot,

LEGO WeDo 2.0,

LEGO Mindstorms EV3,

Sphero,

and

Anki Cozmo.
