PRINCIPAL'S PAGE

2019 CLASS LISTS:

I am currently in the process of forming classes for 2019. To assist this process could you please let me know in **writing** if your child will be leaving us to attend another school in 2019. I would also ask that you let me know (**also in writing**) if you have a preference for a particular teacher for your child and also any preferences for placement with other students or students you would like your child NOT to be placed with.

We will be releasing class lists in the last week of this term. If after viewing these you would like a change of class please let the office know so that changes can be made prior to the start of the school year. Your early advice and assistance in relation to this would be appreciated.

STATIONERY 2019:

Once again in 2019 we will be providing all stationery for our students. If you would like to make a donation towards your child's stationery we would appreciate your support for this initiative.

THANK YOU:

I would like to thank the hard working team from our P & C who worked tirelessly last Sunday at our Bunnings sausage sizzle under trying circumstances in the inclement

weather. Your assistance is greatly appreciated by our students and staff.

PRE PREP MORNINGS:

Our next pre prep morning will be held on 2nd November from 9am to 10.30 am. If you know of anyone who wants to enrol their child next year please let them know.

PUPIL FREE DAY:

The students have a holiday next Monday 22 October as it is a Pupil Free Day. The teachers and other staff will be participating in professional development.

CONGRATULATIONS:

Congratulations to Kasey from year 6 who is competing at the Queensland State Schools track and field championships being conducted in Cairns today and tomorrow.

Saying of the week:

Doing nothing is hard – you never know when you're finished!

DEPUTY'S CORNER

We have made it to our final term of the year with plenty to still be done. Classroom teachers are starting to have conversations

with students around the transition from their current year level to their next year level. For some students this is an exciting adventure, but for others it can be quite daunting. Don't forget you can always pop in and have a chat with your child's teacher about any questions they may have brought up at home.

As we move forward with Term 4 it is important to remember arriving on time and attending each day will support your child's learning for the end of the year. Many faces start to get tired, especially with the weather but learning is in full swing and your child's attendance is extremely important to ensure we have the best learning outcomes for your child.

I would like to say thank-you to our Teachers for welcoming the admin team to observe lessons this year. We have been able to visit all Teachers each term with a strong focus to observe learning and our school priority:

- Higher order thinking skills (HOTS)
- Science investigations

This has been an invaluable experience to improve and focus our school pedagogy, while also building teacher capacity.

With the heat not far away I would like to remind all students to bring along their hat and a water bottle each day.

DON'T FORGET TO BRING YOUR HAT AND WATER BOTTLE EVERYDAY!

STAFF PROFILE: Georgie Vanderzee

My name is Georgie Van Der Zee (Mrs V). I am one of the teacher aides and have been working here for nine years.

I was born in Hungary and came to Australia when I was four years old. I speak fluent Hungarian and learnt English when I started primary school. Once I finished school I travelled around Australia picking/packing fruit and vegetables before settling down in Queensland. I now live with my two wonderful girls, our two dogs and a cat. My eldest, Renee, is nineteen and studying a Bachelor of Education at university and my youngest, Alicia is sixteen and aspiring to become a beauty therapist.

When I am not working I love to spend my time with my girls. We like going to the movies, cafes and take our pooches for a walk along the beach. We also love travelling and creating lots of memories.

Over the last nine years I have met and worked with the most wonderful and supportive staff which I feel very lucky to be a part of.

STUDENT PROFILE: Reuben

My name is Reuben and I have been attending this school since grade 3. This year I was chosen to be Cawley House Vice-Captain. When I found out that I had been chosen I felt very proud of myself. I

like playing Rugby Union and I represented the school on our Gala Days last term. I am playing AFL this term and looking forward to playing here at school.

I really enjoy coming to school, because I get to hang out with my friends and muck around with the boys, especially Jese.

When I have to go into class I am interested in Geography, and I enjoy being creative... when I'm bored and Miss Bradley won't stop talking.

When I am outside of school I like to beatbox, dance and sometimes sing. I hang out with my little sister Trinity, who has just learnt to walk and she gets into all the cupboards and pulls my hair whenever she gets the chance. I like this school better than any other school but I am looking forward to my next adventure at high school.

FREE DRESS DAY

We are having a free dress day on Friday the 26th October to raise money for the student councillors to get some new drinking fountains for the school and to make a better school for 2018 and future students. We do ask you to wear appropriate clothes – NO SINGLETS, NO SHORT SHORTS.

From the Student Councillors

Chappy News

Parents' Group

The final Parents' Group for the year is on next Friday. We will again do meals on a budget and a cooking demonstration. This time we will be cooking with pasta and rice.

Subday

The final Subday for the year will be on Monday 29th October. Thank you for your support.

Play Break

Dance at playbreak on Thursday has finished for the year.

The Chappy Room is open on Mondays and Tuesdays for craft, colouring and creative play. On Wednesday and Thursdays I will open the Art Room for students to work on art pieces for the Art Carnival, which runs during Celebration week at the end of term. If you are a budding artist and would love to help, please let me know. We would love to have extra helpers, especially on the Thursday.

Coles Design a Bag Competition

Today students finished off their designs and they were scanned and sent away. We are waiting with bated breath to hear if any of them have been chosen.

Parenting Pit Stop

Intercept Youth and Family Service will be facilitating another Parenting Pit Stop workshop in October.

Parenting Pit stop is free and open to the community.

Please see below details:

Dr Bob- Parenting Pit Stop

Topic: Parenting Adolescents

Date: Monday 29th of October

Time: 9.30am – 11.30am

Location: Intercept Youth and Family Service

To register call Sarah from Intercept on 5428 1684

Is your child enrolling in Prep at Caboolture State School in 2019?

Please come and join in our Pre Prep Friday mornings from 9 am to 10.30 am every fortnight from 17 August, 2018

Children and their parents will participate in a prep program to assist their transition to school.

They will need to bring their hat and a drink bottle (a snack will be provided by the school).

Sessions will be held in the Ngara Room.

Please pop into the office for directions.

It would be great if children could attend most sessions.

Information regarding full enrolment will be provided at the sessions.

Session dates are 14/09, 19/10, 2/11, 16/11, 30/11
