PRINCIPAL'S PAGE

PRINCIPAL'S COMMENT:

I would like to thank our school community for supporting our annual Crazy Hair Day. We raised \$1 365.20 for the support of people who have blood cancer. It was great to see so many members of our wider community joining together in a fun filled morning of exciting activities. A particular thank you goes to Jenna Sulter for her work in organizing the day.

I would also like to thank Kathryn Golding for her organization of our highly successful athletics carnival. The new format proved to be a winner!! A full report is included later in the newsletter.

P&C NEWS:

Congratulations and thank you to the following people who have taken up positions on the executive of the P&C for 2019:

President:	Sarah Stockwell
Vice President:	Paula Sheridan
Secretary:	Deb Cochrane
Treasurer:	

Your support for our school is appreciated.

Saying of the week:

**CHANGE YOUR THOUGHTS AND
YOU CAN CHANGE YOUR
WORLD!**

providing advice and counselling on educational, behavioural, vocational, personal, social, family, and mental health and wellbeing issues.

Let's celebrate our guidance officer Jenny Neal for the support, guidance and inspiration she provides

It takes a village — Thank an unsung hero

Thank an unsung hero in your village who is making a difference in a young person's life with the [It takes a village](#) campaign. The Community Council of Australia is giving people the opportunity to [nominate](#) a grandparent, family member, sports coach, charity worker, fellow student or community member who is helping a young person dream big and achieve their education goals. Businesses can also get involved by becoming a partner or supporting a charity making a difference in your village.

DEPUTY'S CORNER

Queensland guidance officers

From 29 April to 10 May we were highlighting the important work of our [guidance officer\[s\]](#).

Guidance officers are highly valued members of our school community, forming strong and productive relationships with staff, students, parents and external support agencies.

Guidance officers respond to a variety of complex issues in our school and bringing a broad range of skills and knowledge to the role.

Support offered by guidance officers includes

Celebrate National Reconciliation Week

National Reconciliation Week, held from 27 May to 3 June, provides an opportunity for our school community to learn about our shared histories, cultures and achievements. It's a time to celebrate and build on the respectful relationships between Aboriginal and Torres Strait Islander people and other Australians.

This year's theme is *Grounded in truth: Walk together with courage*, and the week honours two significant events: the 1967 Referendum and Mabo Day.

To learn more at [National Reconciliation Week](#). [Dandiiri Schools and Community Library](#) has a range of Reconciliation resources available to borrow.

Winter sun is still dangerous

Even in winter, UV levels in Queensland remain high enough to damage skin. It is important to stay sun safe all year round by applying sunscreen every day. Apply water resistant, broad-spectrum SPF 30 or higher sunscreen 20 minutes before going outside. Make sunscreen part of your morning routine.

Find more tips at the Feel Good Facts website <https://bit.ly/2KWjmqD>

The importance of childhood oral health — start good habits early

Oral health is important to a child's overall health and wellbeing. It is important to start good habits early, like brushing twice a day for two minutes to help prevent tooth decay. Set a timer or brush along to a song. Help with their brushing until they're eight years old. Regular check-ups with the dentist are also important. See if your child is eligible for a free check-up at the Feel Good Facts website <https://bit.ly/2KWjmqD>

STAFF PROFILE: Amanda Crawford

My name is Amanda Crawford but I was previously known as Miss Grant. I began working at Caboolture State School back in 2011. In 2016 my husband and I were sent up to Maryborough to complete our country service and I returned this year to CSS. I am very excited to be back as I love working at this school.

My husband and I are excitedly expecting our first child. We have a little boy on the way, who is due to be born in August. When I am not at work I am busily preparing the nursery and everything else for the arrival of our baby. We have two beautiful dogs, Jedda and Marley, who keep us very busy also.

I have been teaching now for 10 years and absolutely love this job. I love being able to support students in their learning and prepare engaging activities to help them achieve their best.

STUDENT PROFILE: Indyah

My name is Indyah and I am Norman House Captain. I have been at CSS for almost 2 years and it's awesome how I get to come to school and hang out/play with my friends. The best part of the day is play break at the end of the day.

My favourite thing about being a house

captain is doing all the war cries and cheering on Norman team members. This year already I have represented the school for Cross Country at a district level.

I live with my mum, 2 older brothers and my little sister who is in year 4.

My favourite things to do when I am at school are Science, Maths and PE. When I finish school I want to go to University or TAFE and study to become a teacher, maybe even a PE teacher like Miss Golding.

My favourite games are team sports, which involve working with other people like Rugby, touch or capture the flag. I really enjoy running, long jump and shot put too.

Athletics Carnival Report

This year's athletics carnival was a little different from the past with it having pre-events and the one whole day. It was a bit touch and go for a while with the weather postponing events due to safety, but we managed to get enough blue sky to push forward and get all the pre events run.

The carnival itself was a fun day for all with the sprints, ball games and even a little friendly Tug-O-War, all adding points to the teams' totals. At the close of the day the points were extremely close but unfortunately there can only be one winner. This year Border managed to scrape through to take the title of 2019 Athletics Champions with a total points score of 991 followed closely by Cawley on 916 with Norman at 859.

I would like to congratulate all students on their outstanding efforts competing for their houses on the day and especially to our age champions who are named later in the newsletter.

Chappy News

Chappy Week

Chappy Week is an annual event run by SU QLD to raise awareness of the value of school chaplains and to raise funds to support chappies. The State and Federal Governments put some money towards the Chaplaincy service in our school. This covers 2 ½ days. There is also a Chaplaincy committee which fundraises for the remaining Chaplaincy days.

What does a Chaplain do? SU QLD chaplains, or 'chappies', provide spiritual and emotional support to school communities. They are in the prevention and support business: helping students find a better way to deal with issues ranging from family breakdown, friendship issues and loneliness, to depression and anxiety.

They provide a listening ear and a caring presence for children and young people in crisis, and those who just need a friend. They also provide support for staff and parents in school communities.

- More than 67% of Queensland State Schools have a chappy.

- That leaves around 400 state schools without a chappy!

- SU QLD has placed chappies in 63% of all Queensland state primary schools and in 88% of all Queensland state high schools.

- Right now, our chappies are serving more than 400,000 Queensland students

Each year schools celebrate Chappy week in a variety of ways. There will be a flyer coming out next week with our Chappy week activities listed. Watch this space.

Thrift Shop

Open each Wednesday morning from 8:30 up to and including week 9. There are heaps of clothes at the moment, which I would like to give away to new homes. Fill a bag and make a donation, or 5 items for \$1. We have a lot of jigsaw puzzles, DVD's (CSI & Midsommer Murder Mysteries), Party Lite candle holders, platters, etc. Come in to the Chappy room and find a bargain or call in for a cuppa and a chat.

Art Carnival

The Art Carnival is on at the very end of the year, but I thought it would be good to get in early. Our school art room has been upgraded. Last year I closed the Chappy room one afternoon and opened up the Art room for children to create masterpieces in. If you are artistic and would like to share your skills with students or even run an art lesson, please let me know.

Breakfast Club

Needed: cereals and gloves

Thank you to the new parents who have volunteered for this term.

Helping Hope Happen Chaplaincy fundraiser dinner

This Monday the 20th May is the big fundraiser dinner for chaplaincy in the area. There are about 300 people who attend, donate and support Chaplains in 14 schools in the Caboolture area. All donations are tax deductible and it is a good night to network, meet other Chaplaincy supporters and the Chaplains and also enjoy a night out.

Parents Stay Positive!

The Every Family initiative at the University of Queensland is helping families in your area

We offer FREE Triple P Positive Parenting Programs

Check out what's on in MORETON BAY in Term 2 2019.
Available for parents and carers of children up to 12 years old.
