NAPLAN REPORTS:

Reports for students who sat the NAPLAN tests in years 3 and 5 are now available for collection from the office. These reports WILL NOT be issued to students – they must be collected by a parent.

ATTENDANCE LETTERS:

Last week all students were issued with a letter which included their attendance rate for Semester 1 this year. The letter also contains an explanation of the impact lack of attendance has on a student's overall academic progress. Please take the time to read this as it contains interesting and important information.

COMMUNITY BREAKFAST:

Our next Community Breakfast will be held outside the hall on Wednesday 18th September commencing at 8.15 am. All community members are welcome to attend.

Our school band will be performing for your entertainment on the morning. The Young ICT Explorers group will also be presenting their robots that they took to QUT in Brisbane recently.

WAKAKIRRI:

This week voting has opened for the People's Choice Award for Wakakirri. If you would like to vote for our wonderful performance you have to share our school's performance on Facebook. Here is the link to the awards page if you would like to vote for our school - <https://www.wakakirri.com/mainsite/peoples-choice/>

Bushfire Season

Even if you don't live near bushland, you might be affected by bushfires while away or travelling. Check your [postcode](#) to see the potential for bushfires to take hold in your neighbourhood or areas you frequently visit.

Everyone who lives near the bush, including those on city fringes, should prepare themselves, their families and their properties including preparing a Bushfire Survival Plan.

Saying of the week:

If you really want to be happy, nobody can stop you

DEPUTY'S CORNER

Warmer weather

As the days become warmer and the UV index increases we need to remember to ensure our students bring a hat to school and wear it when playing in the sun. Writing your child's name in their hat will increase the chance of it being returned if they leave it somewhere during the school day. Sunscreen will also assist with students being Sun Safe when at school.

Support for depressed dads will help mums (and kids)

These days, we're getting better at recognising and treating post-natal depression in mothers. But did you know that babies whose dads are depressed are more likely to [develop behavioural problems](#)? Doing a free Triple P — Positive Parenting Program can help everyone be happier. Find out more and support each other: www.triplep-parenting.net

STAFF PROFILE:

Tracy Stevens

HeeeeIIIIIIlooooo,

My name is Tracy and you can find me at the payment window in the office at Caboolture State School. I have worked at Caboolture State School for many, many years and love it! What I like the most is that no two days are the same; I arrive at work each day never knowing what to expect. I also really like the team that I work with, we have lots of fun and we laugh a lot.

We also speak many languages in the front office, such as whale (which you may have picked up from my earlier hello), seagull and grunt – just to name a few. So, if you speak any of these languages yourself come up to my window and say "Hi".

Outside of school my favourite thing to do is spend time with my family. We spend a lot of time together - eating, laughing, playing board games, laughing, watching movies, laughing, talking and laughing some more. Life is good ...

STUDENT PROFILE: Elenora

Hi I am Elenora and I am vice-captain of Cawley House. Cawley is the best house ever! I love sports especially rugby league. I play for the Snakes. We did really well this year but unfortunately we lost the grand final.

I come from Auckland, New Zealand and have lived in Australia for two years. New Zealand is cool because it's not too hot or too cold and they play lots of sports there.

My birthday is December 17. For my birthday I would like to go back to New Zealand. My sisters and I were all born in different countries. My eldest sister was born in Hawaii, my middle sister in Samoa and I was born in New Zealand.

I really like being vice-captain of Cawley and hopefully we will win at the end of the year.

Some of the great Dreamers that we have helped work towards their goals so far.

Write about your dreams and you could win. Go online to find out how to enter or see Mrs Wheat.

Chappy News

Breakfast Club

A big thank you to the new students who have volunteered at the Breakfast Club. Your help has been greatly appreciated. I still need a parent volunteer for each morning. I would love to meet you and chat about how you can be part of this team.

Items Needed: honey, cornflakes

Thrift Shop

Our parent who ran the Thrift shop last term left to go back to work. Unfortunately, the parents who were hoping to run the Thrift shop this term were unable to due to a change in circumstances. At this point in time I am not sure if we will continue with the Thrift shop. Let me know if you would like to help to run it for a one-off day early next term.

Art Carnival

We are an entire term away from the Art Carnival, but we have had some donations for the lucky door prize already. Thank you so much. Unfortunately our volunteer artist, Gwen has had to cancel for this year.

If you are wanting to support budding artists in our school, I am planning to open the art room one afternoon per week. Last year Gwen helped students to make a multimedia painting, which was one of the lucky door prizes.

Thank you for all your donations.
