

Year 5 English and Math Goals

GOAL - Writing	SUCCESS CRITERIA
To write the first chapter of a fantasy novel, creating a 'good' and 'evil' character, and establish setting.	<p>A level</p> <ul style="list-style-type: none"> I deliberately use figurative language (e.g., simile, metaphor, personification) to develop and enhance description of characters, setting and events. I create a cohesive narrative text that maintains a consistent point of view (i.e., my story makes sense, written in a narrator's voice).
	<p>B level</p> <ul style="list-style-type: none"> I develop specific ideas that reflect a fantasy setting and characters, including character traits. I can expand ideas about characters and setting using nouns and noun groups. I use a variety of sentence beginnings (sizzling starts) to engage the reader.
	<p>C level</p> <ul style="list-style-type: none"> I can use language features to show how ideas can be extended. I demonstrate my understanding of grammar (sentence structure). I select specific vocabulary and use accurate spelling and punctuation. I can create an imaginative text for a purpose and an audience. I edit my work for cohesive structure and meaning (i.e., my story makes sense).

GOAL	SUCCESS CRITERIA
Y5 I can pose questions to collect data, and construct and interpret data displays.	<ul style="list-style-type: none"> I will pose questions to gather data
	<ul style="list-style-type: none"> I will interpret varied data sets.
	<ul style="list-style-type: none"> I will compare and select data, and explain reasoning.
	<ul style="list-style-type: none"> I will interpret and compare a variety of data displays and interpret secondary data.
Y5 I can compare and order decimal and unit fractions.	<ul style="list-style-type: none"> I will order decimals and fractions
	<ul style="list-style-type: none"> I will compare decimals and fractions
	<ul style="list-style-type: none"> I will investigate fractions, decimals and percentages.
	<ul style="list-style-type: none"> I will calculate a simple fraction of a quantity.

Year 6 English and Math Goals

GOAL - Writing	SUCCESS CRITERIA
To write the first chapter of a fantasy novel, creating a 'good' and 'evil' character, and establish setting.	A level <ul style="list-style-type: none"> I can make deliberate use of vocabulary, including evaluative language, to express shades of meaning, feeling and opinion about the main characters, events and setting. I can create an innovative fantasy text that builds tension appropriate to the purpose and audience.
	B level <ul style="list-style-type: none"> I can select language features to create imagery for setting, characters and events. I can expand and sharpen specific ideas about fantasy events and characters through careful choice of verbs, elaborated tenses and adverb groups/phrases. I can use a variety of sentence structures to create interest and hold audience focus.
	C level <ul style="list-style-type: none"> I can use language features and language patterns (imagery) for emphasis. I can demonstrate an understanding of grammar (sentence structure). I can make considered vocabulary (word) choices to enhance cohesion (to flow and make sense) and structure in my writing. I can use accurate spelling and punctuation for clarity. I can create detailed texts elaborating on key ideas for purpose and audience. I can edit my work based on criteria.

GOAL	SUCCESS CRITERIA
Y6 I can interpret and compare data displays	<ul style="list-style-type: none"> I will pose questions to gather data
	<ul style="list-style-type: none"> I will interpret varied data sets.
	<ul style="list-style-type: none"> I will compare and select data, and explain reasoning.
	<ul style="list-style-type: none"> I will interpret and compare a variety of data displays and interpret secondary data.
Y6 I can investigate fractions, decimals and percentages, and calculate a simple fraction of a quantity	<ul style="list-style-type: none"> I will order decimals and fractions
	<ul style="list-style-type: none"> I will compare decimals and fractions
	<ul style="list-style-type: none"> I will investigate fractions, decimals and percentages.
	<ul style="list-style-type: none"> I will calculate a simple fraction of a quantity.
